# WELCOME TO ROSKILL

***Congratulations. You've made the first step towards buying your brand new home in Roskill.***

The wider Roskill area is home to great schools, parks, walking and biking tracks, and food places all within 15 minutes drive of the Auckland CBD and popular beaches.

Greater Roskill's neighbourhoods already have vibrant, diverse communities. Our goal has been to increase the supply and choice of housing available (including KiwiBuild) in these areas so that these communities can continue to grow and thrive. At the same time, existing infrastructure like parks, streets, stormwater and wastewater systems will be brought up to date and made safer and more durable. Plus, key amenities across multiple areas will also be upgraded, and the restoration of Te Auaunga Awa (Oakley Creek) a socially, culturally and environmentally significant waterway and the walkways and parks alongside it will transform Roskill into a greener, healthier, more connected suburb.

Visit us at our Roskill Development Information Centre at 142 May Road - open Wednesday to Saturday, 10am to 4pm. Or the Ōwairaka Info Cube located at 80 Hendon Ave, open Thursday & Saturday, 10am to 4pm.

# TYPES OF HOMES FOR SALE

***A strong community is a diverse one, so we're building a range of homes to suit all ages and stages.***

The way we do this is by partnering with different building companies that will provide a variety of homes. Each building company works with different architects and designers to create different plans, using a range of materials. This creates a varied streetscape, but more importantly, provides choice for a broad cross section of homebuyers.

## ***Apartments***

Apartments offer residents a compact living arrangement that frees up time and money with their no fuss, low maintenance requirements. They're generally sited close to shops and transport routes due to their higher density form. Apartments are available as a single home amongst many in an apartment building or block, or as a walk up whereby two homes are allocated to a building: one below, and one above (accessible via a staircase).

---

## ***Terraces***

Terraces are often referred to as townhouses. They take up less land than a traditional standalone home, compensated for by their height so you get more out of your budget (and better views). Terraces allow for separation of private and shared living spaces across multiple floors.

---

## ***Duplex***

A duplex is one of two terraced houses that share an adjoining wall. They have all the advantages of a standalone terraced home for a fraction of the price. Like the standalone terrace, they also allow for separation of private and shared living spaces across multiple floors.

---

## ***Standalone***

Standalone or detached homes are designed and built with young and larger families in mind. These homes are bigger than the higher density homes available in Roskill, with a land area closer to that of a typical New Zealand suburban home, and generally include private outdoor backyards and living spaces.

# HOMESTAR RATING SYSTEM

Each new home built as part of the Roskill Development must achieve a six Homestar rating or above. Homestar is an independent and industry-recognised standard of a building that is overseen and administered by the New Zealand Green Building Council. The rating system promotes the high-quality design and build of new residential homes ensuring they are warmer, drier, healthier and cheaper to run than a standard home built to the New Zealand building code.

To find out more about the Homestar rating system, head to [nzgbc.org.nz/homestar](http://nzgbc.org.nz/homestar)

# ROSKILL'S NEIGHBOURHOODS

The Roskill Development area spans a large part of central Auckland, from Mt Albert in the north to Waikōwhai in the south, and from New Windsor in the west to Three Kings in the east. Over time, more than a dozen of Roskill's neighbourhoods will see redevelopment of their state housing. The first two neighbourhoods to get underway are Ōwairaka and Mt Roskill South.
