Homes and Communities

## Lakeside

- TE KAUWHATA -

# WELCOME TO YOUR NEW HOMETOWN

**Congratulations. You've made the first step towards buying your brand new home in Lakeside. With an easy-going, small town vibe and a warm and welcoming community, you'll feel like you belong here from day one.**

Lakeside has 75 hectares of dedicated reserve land and 6km of walking and cycling trails, so there's ample room to roam, and serene views of Lake Waikare to keep you in touch with nature. And it's brilliantly located, just a short stroll to Te Kauwhata's charming main street. Better roads have also brought Lakeside within easy reach of Auckland and Hamilton.

There are around 1,650 homes coming here over the next eight years, in a variety of shapes and sizes, so you're sure to find a place to suit your lifestyle and your budget. Read on to see what's currently available.

# SOMETHING FOR EVERYONE

**At Lakeside we're putting a lot of effort into providing you with quality and choice.**

Quality homes are warm, comfortable and healthy to live in. They also cost less to maintain and run. Providing a variety of housing styles and plans makes it easy to find the right home for your age and stage of life, in the price bracket you can afford.

## **More affordable homes**

At least twenty percent of the homes at Lakeside will be Colab Series homes which we make available to eligible buyers at a predetermined price cap. To date that cap has been \$650,000. You can find out more about Colab Series homes, and whether you're eligible at [lakeside.nz/colab-series](https://lakeside.nz/colab-series).

## **Easier on the planet and your pocket**

The new homes being built at Lakeside will meet high sustainability measures that go beyond what is required by the Building Code. These measures include:

- insulation and double glazing above the Building Code – makes homes warm and less expensive to heat
- houses are designed to take advantage of the sun to create living spaces that are warm and light wherever possible
- energy efficient lights • water efficient showers, toilets and taps.

# LAKE SIDE'S MASTERPLAN

**Lakeside is designed to give kiwis a neighbourhood they can call their own at a price they can afford.**

Lakeside residents will enjoy brand-new, quality homes with their own backyards, where they can put down roots and be part of a great community. Lakeside's location combines the best of town and country living, with brand-new homes in a picturesque setting, close to an established, friendly rural town and within commuting distance of work in important employment hubs in Manukau, Mt Wellington, Auckland airport, Hamilton and the new Ohinewai Sleepyhead Industrial park that's under construction now.

# MEET THE BUILDER PARTNERS

***When you buy a new home as part of the Lakeside Development you will be buying a home built by one of our builder partners. Each builder partner has been chosen based on their reputation and build quality, so you can feel reassured that your home will be built to high standards.***
