

HOMES FOR SALE PRICE LIST

01 Dec 2023

WELCOME TO HOBSONVILLE POINT

Congratulations. You've made the first step towards purchasing a brand new home in Hobsonville Point, Auckland's newest and fastest-growing suburb.

TYPES OF HOMES FOR SALE

Every new home at Hobsonville Point has been architect-designed to cater for modern life in Auckland; to maximise space, minimise demands on our time and bank balance (and the environment), and give us that connection with nature and our community that makes life so much richer.

A strong community is a diverse one, so we're building a range of homes to suit all ages and stages. The way we do this is by partnering with a master developer for each precinct. We and the developer then select building companies that will provide a variety of homes. Each building company works with different architects and designers to create different plans, using a range of materials. This creates a varied streetscape, but more importantly, provides choice for a broad cross-section of homebuyers.

Apartments

Apartments offer residents a compact living arrangement that frees up time and money with their no-fuss, low maintenance requirements. They're generally sited close to shops and transport routes due to their higher-density form. Apartments are available as a single home amongst many in an apartment building or block, or as a walk up whereby two homes are allocated to a building: one below, and one above (accessible via a staircase).

Terraces

Terraces are often referred to as townhouses. They take up less land than a traditional standalone home, compensated for by their height so you get more out of your budget (and better views). Terraces allow for separation of private and shared living spaces across multiple floors.

Duplex

A duplex is one of two terraced houses that share an adjoining wall. They have all the advantages of a standalone terraced home for a fraction of the price. Like the standalone terrace, they also allow for separation of private and shared living spaces across multiple floors.

Standalone

Standalone or detached homes are designed and built with young and larger families in mind. These homes are bigger than the higher-density homes available at Hobsonville Point, with a land area closer to that of a typical New Zealand suburban home, and generally include private outdoor backyards and living spaces.

KiwiBuild

Homes in the more affordable price range are a priority within the Hobsonville Point development. These homes will be available to purchase off the plan for eligible KiwiBuild buyers only. To find out more about KiwiBuild's eligibility requirements and application process, head to kiwibuild.govt.nz

HOMESTAR RATING SYSTEM

Each new home built as part of Hobsonville Point must achieve a six Homestar rating or above. Homestar is an independent and industry-recognised standard of a building that is overseen and administered by the New Zealand Green Building Council. The rating system promotes the high-quality design and build of new residential homes ensuring they are warmer, drier, healthier and cheaper to run than a standard home built to the New Zealand building code.

To find out more about the Homestar rating system, head to nzgbc.org.nz/homestar

HOBSONVILLE POINT MAP

MEET THE BUILDER PARTNERS

When you buy a new home as part of the Hobsonville Development you will be buying a home built by one of our builder partners. Each builder partner has chosen based on their reputation and build quality, so you can feel reassured that your home will be built to high standards.

The Hudson Precinct continues to be one of Hobsonville Points most sought after areas. With views of the Waitemata Harbour, the convenience of the Catalina Bay restaurants and ferry terminal, plus the Hobsonville Point school zoning, it's the perfect location. Classic Builders will be releasing more 3 and 4 bedroomed homes, all sited beside the Coastal walkway.

Our homes have been designed by Construkt Architects and represent the latest evolution in Fletcher Living designs. These homes are perfectly positioned to make the most of the surrounding areas and all that Hobsonville Point has to offer. The Te Uru Precinct is next to the Hobsonville village, shops and with easy access to both the North-Western motorway(SH16) and Upper Harbour Highway.

Catalina Bay Apartments is located in the heart of Catalina Bay, Hobsonville Point. Willis Bond & Co. have restored and re-purposed several of Catalina Bay's original Air Force buildings, creating a seaside community like no other. Designed by award-winning architects, Architectus, these residences of carefully considered proportions and generous spaces have been designed to maximise panoramic views of the Waitemata Harbour.

WINTON

The historic Marlborough Oval is the focal point of this 4.2-hectare neighbourhood. At the waterfront edge with views overlooking the Waitemata Harbour are the newly released Ovation apartments. Launch Bay is a five-minute walk from Catalina Bay's retail and restaurants via the coastal walkway or the streets. This stunning location couldn't be more spectacular.

PRICE LIST

For more information about the listed homes for sale, please contact the relevant builder partner.
